Hydrophobic Glass Cleaner

A fast-acting alcohol-based formula containing advanced, high-performance surface protective additives and cleaners to deliver superb cleaning, and provide a long-lasting hydrophobic, water repelling, protective barrier, that is suitable for all glass and acrylic windows, including mirrors and window tints, leaving a sparkling clean finish.

Features + Benefits:

Contains advanced high-performance surface protective additives and cleaners

Fast acting

Delivers long-lasting hydrophobic, water repelling protective barrier

Delivers superb no-smear cleaning

Suitable for all glass, sensitive tints and polycarbonate / acrylic windows

Effortlessly removes fingerprints and greasy films

Directions For Use:

01 Apply a light mist of product onto one section at a time, and spread over the surface using a clean microfibre or glass cloth. Do not over apply product to surface.

02 Turn over or re-fold the towel or cloth to a clean side, or preferably using a separate clean cloth, and gently buff to a clean, high-gloss, streak free finish.

STORAGE: Store the bottle in an upright position in a cool dark place and ensure lid is replaced after use.
