## Developed by experts

Our products have been developed by experts, delivered with support from award winning detailers and endorsed by collectors.

## Interior Detailer

Ideal for light cleaning and protecting of interior wood, metals, plastic and rubber surfaces, leaving a dry, revived natural finish. Contains high performance cleaning and anti-static agents to remove light interior grime and reduce dust build-up, and is perfect for reviving faded interiors or maintaining that factory fresh interior finish of a brand-new car.

## Features + Benefits:

Ideal for light cleaning and protecting of interior wood, metals, plastic and rubber surfaces

Compatible with all modern plastic, vinyl, and rubber surfaces

Contains high performance cleaning agents to remove light interior grime

Natural finish

Anti-static agents to reduce dust build-up

Durable protection

## Directions For Use:

**01** Shake well before use and apply a light mist of product onto one area at a time, and buff with a general purpose microfibre cloth to remove residue.

**02** Alternatively, you can spray directly onto a microfibre cloth, spread onto surface and buff off the residue with a clean microfibre cloth.

**STORAGE:** Store the bottle in an upright position in a cool dark place and ensure lid is replaced after use.

Unit 1, Sheldon Nurseries,  
Stanboro Lane,  
Elmstone Hardwick,  
Cheltenham GL51 9TN

All this. By hand.
