Luxury Shampoo

A PH-neutral, wax and sealant safe, concentrated pure shampoo. Blended with advanced cleaning and foaming agents and high-grade swirl-preventing lubricants, to gently and efficiently remove grime. Combined with residue-free rinsing, to leave a clean, slick finish.

Features + Benefits:

High-performance

Highly concentrated

Contains advanced lubricants, cleaning and foaming agents

Luxurious thick foaming performance

Wax, sealant and ceramic safe

Safe for use on all paint finishes

Directions For Use:

1 Add the necessary amount to your wash water and agitate. For general cleaning, a dilution ratio of 650:1 is recommended. For lighter cleaning, a dilution ratio of up to 2000:1 can be achieved.

2 Wash the vehicle from the top down, using a clean wash mitt or pad. Ideally wash one area at a time, and rinse before moving onto another.

3 Once the vehicle has been completely washed, use a pressure washer or free-running hose to remove any remaining shampoo solution and dry using a microfibre drying towel.

STORAGE: Store the bottle in an upright position in a cool dark place and ensure lid is replaced after use.

NOTE: Do not allow to dry on vehicle surfaces, do not wash vehicles in direct sunlight, and always rinse with plenty of water.

Unit 1, Sheldon Nurseries,
Stanboro Lane,
Elmstone Hardwick,
Cheltenham GL51 9TN

All this. By hand.
