Quick Spray Wax

A water-based quick spray wax designed to offer superior depth of gloss, durability and water repellency. Formulated with high grade carnauba wax, synthetic polymers, and high-performance surface protective additives to provide a high gloss, durable coating. Simply spray and wipe for that extra boost of protection and shine. Plastic and trim safe, and compatible with most waxes, polishes and paint sealants. Suitable for all paint colours and finishes.

Features + Benefits:

Fast, easy application

Simply spray and buff

Contains natural high grade carnauba wax and polymers

Blended with high performance surface protective additives

High gloss finish

Hydrophobic water repelling formula

Wax, sealant and polish friendly

Suitable for all paint colours and finishes

Plastic and trim safe

Directions For Use:

01 Shake well before use and apply a light mist of product onto one section at a time, and spread over the panel using a plush microfibre towel or cloth. Do not over apply product to surface.

02 Turn over or re-fold the towel or cloth to a clean side, and gently buff to a high-gloss finish.

STORAGE: Store the bottle in an upright position in a cool dark place and ensure lid is replaced after use.

Unit 1, Sheldon Nurseries,
Stanboro Lane,
Elmstone Hardwick,
Cheltenham GL51 9TN

All this. By hand.
