Tar & Glue Remover

A natural orange oil and solvent-based performance cleaner designed to quickly loosen and break down stubborn tar and glue residue without damaging the underlying finish and protection. Suitable for use on classic paintwork, glass and trim, and safe to use on all modern exterior painted surfaces, plastic trim and glass.

Features + Benefits:

Natural orange oil and solvent-based performance cleaner

Designed to quickly loosen and break down stubborn tar and glue residue

Suitable for use on classic paintwork, glass and trim

safe to use on all modern exterior painted surfaces, plastic trim and glass

Directions For Use:

01 Ensure surface is clean and free from loose dirt and contaminants.

02 Spray directly onto affected surface and allow product to dwell briefly. Do not allow the solution to dry on surfaces.

03 Remove product residue and contaminants with a microfibre cloth or sponge applicator.

STORAGE: Store the bottle in an upright position in a cool dark place and ensure lid is replaced after use.

NOTE: Do not apply if the vehicle is warm or in direct sunlight. Ensure product residue is removed from vehicle thoroughly and do not allow the solution to dry on surfaces. Product may cause damage to fresh paint, lacquers, SMART repairs, and some delicate vintage surfaces and finishes. If using the product on these surfaces, proceed with caution and on an inconspicuous area to check for compatibility. If no hazing or swelling of the finish is present, and no paint gets transferred to your microfibre cloth or applicator, you may proceed.

Unit 1, Sheldon Nurseries,
Stanboro Lane,
Elmstone Hardwick,
Cheltenham GL51 9TN

All this. By hand.
